

## The Electric Laundry

Whether you do your own washing, hire a helper, or send the work out, you can save money, time and wear and tear by installing up-to-date home labor savers driven by

### ELECTRIC MOTORS

You will be surprised to see how little it costs to run these motors. Their first cost is soon offset by the saving in labor. Less than a cent an hour will operate most of the machines for home laundry work. A couple of hours will suffice to finish a good sized wash the electric way.

Will you try one of these machines in your home?

## DIVORCEES CAN STILL RE-MARRY

St. Louis, Oct. 14.—The house of deputies and the house of bishops of the Protestant Episcopal church in joint session this afternoon killed a resolution that would have prohibited the marriage of all divorced persons in the church.

The vote came after an hour's debate. It had been announced earlier that the question would not be debated at today's session, but an eleventh-hour move by the deputies brought the proposed canon before the deputies and bishops. The tabulation of the vote showed that the ministers voting favored the purpose of the new law, while a majority of laymen voted for its rejection.

Today's action will continue for at least three years the present canon, which permits the marriage of "innocent" party to a divorce which was granted on statutory charges.

The defeated canon would have prohibited Protestant Episcopal clergymen from marrying a person divorced from any cause whatsoever during the life of the second party to a divorce decree.

On Sunday afternoon the Baptist church will conduct an every-member canvass. The visiting committee, composed of six teams of three members each, will leave the church at 3 p. m. and make a call on the individual members in the interest of the church and all of its departments.

### MRS. HANNA GRANTED DIVORCE IN 20 MINUTES

Cleveland, Oct. 14.—Following a trial which lasted but 20 minutes, Mrs. Mary Stuart Hanna was granted a decree in divorce from Daniel R. Hanna, millionaire newspaper publisher and son of the late Mark Hanna. Mrs. Hanna was granted the custody of their three children.

Mrs. Hanna sought divorce on grounds of infidelity. Evidence was introduced to show that Hanna had given a check to Alberta Delon for \$5,000 and later had stopped payment upon it.

G. F. Horn, superintendent of the Hanna estate, testified he had seen Hanna give a check for \$5,000 to Mrs. M. C. Hill, of New York.

Mrs. Hanna stated that she had accused her husband of being unfaithful to her and he had admitted his infidelity. Mrs. Hanna was the fourth wife of the defendant.

## OAKLAND HEARS NOMINEE BENSON

San Francisco, Oct. 14.—Allan L. Benson, socialist candidate for president, will conclude his campaign in the San Francisco bay cities tonight with an address in Oakland, where socialist leaders expect a large attendance.

Benson continued to dwell at length upon the draft clause of the Hay-Chamberlain army reorganization bill in his address here last night. He criticized the attitude of both President Wilson and Republican Candidate Hughes in this regard, declaring they have a "gentleman's agreement" not to mention the subject.

Discussing what he would do if he were president, Benson declared: "I would use the great navy to est-

ablish a blockade that would prevent any food from going out of this country so long as there was a hungry man, woman or child in it."

Benson denounced Hughes' record as governor of New York and asserted that President Wilson is audacious in

his attempt to pose as the friend of labor.

Benson will be the guest of the Newspapermen's club of this city at a reception tonight.
